

Your Will is much more than a legal document.

It is your opportunity to responsibly provide for the security of your loved ones and make a lasting testimony to your faith in God and your commitment to share in his work.

It is important for everyone to have a current Will. This is your opportunity to give to those you love and to make sure that your estate is distributed according to your wishes.

A bequest given through your Will allows you to remember Christian ministries that have been important to you during your lifetime. It also passes on a message to future generations about what you held dear.

A Bequest can change lives...

... for future generations

An earlier bequest to SIM Australia is supporting work amongst the Mursi people in Ethiopia by providing training in community health, basic human nutrition and discipleship training. As people are helped to meet their own nutritional needs, there is opportunity to offer God's Word to satisfy their need for forgiveness and a relationship with Jesus.

Ross and Joy Jones worked for 36 years in Nigeria, translating the Bible into Borgu, Bokobau and Busa. Another bequest to SIM Australia made possible the printing of the Bible into these languages so that generations of Nigerians have the opportunity to read God's Word and follow him.

A bequest to SIM Australia is an investment that will live on after you

SIM has grown from a few pioneers to over 1600 missionaries making a difference in over 45 countries throughout Africa, Asia and South America. They are supported by a diverse group of people who pray for them and support them financially.

Our vision is to see men, women and children reached with the gospel of Jesus Christ. If you would like to receive information on bequests, which have the potential to change lives for future generations please complete and return the form. Your confidentiality will be respected.
