

SIM Australia

Convinced that everyone needs to hear the Gospel, our heart is to make disciples of Jesus in communities where He is least known. We partner with local Australian churches in equipping and sending out cross-cultural gospel workers, with a variety of skills and talents, to serve in a diverse range of ministries.

We also seek to demonstrate Jesus' love and compassion to the vulnerable by offering holistic care through our aid and development arm, SIMaid. We are part of a global organisation that has 4,000 workers in 70 countries. In dependence on God, we engage people in praying and supporting workers and ministry activities around the world.

In a rapidly changing world, **SIM Australia's Home Ministry Team** is committed to mentoring, equipping and sending mission workers to make Jesus known.

SIM is focused on engaging communities around the world that do not have any significant Christian witness.

The **Home Ministry Team** engages Australian churches in the global mission task as we mobilise Christians to share the Gospel across cultures. SIM Australia offers training, pastoral care, financial and medical support to our mission workers. The team also manages security risks & logistics and communicates with more than 5000 supporters. Our mission workers can then focus on their ministries while SIM's systems, processes and home staff help support them from Australia.

As our SIM Australia looks to the future and responds to the challenges facing cross-cultural missions, would you prayerfully consider partnering with us in God's global mission?
